We think outside the bank

New business realities require a trusted payment partner. Monvenience partners with a member of the European system EBA Clearing, enabling delivery of EUR payments within seconds. While you've been reading this text, your payment already would have arrived to the beneficiary!

Monvenience offers financial and technological solutions for a variety of businesses, allowing receipt of payments for services or goods from anywhere in Europe. Besides classical eCommerce services, we offer mass collection of payments from your European customers and its' remittances around the world using unique IBANs.

IBAN Collect

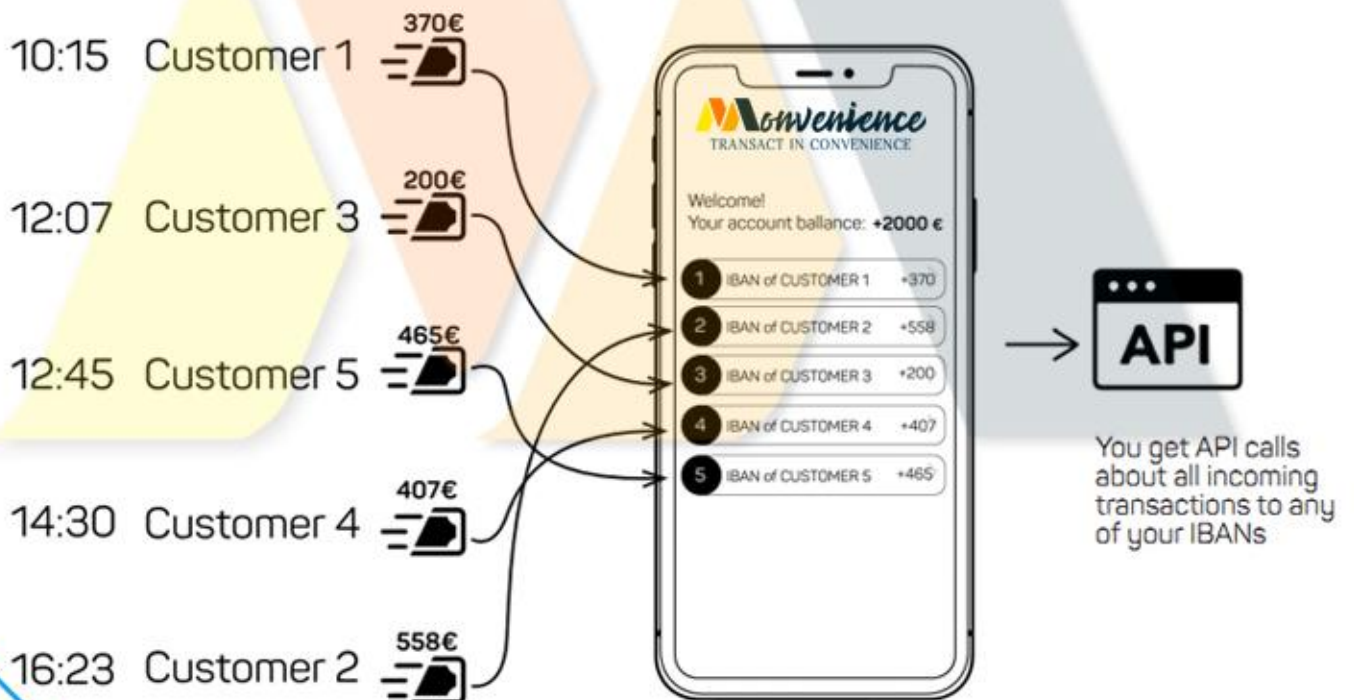

Always the right order in your income payments

IBAN COLLECT is a versatile service that can enhance the speed and efficiency of money collection in EUR currency using unique IBANs.

Typical examples for IBAN COLLECT service:

eShops, airlines, computer games, software, digital content, multi-level marketing, licensed forex & gaming, financial institutions, card issuers

How does IBAN Collect works?

Each of your customers will pay to a dedicated IBAN of your company. Easy to track payments - all incoming transactions will be credited to a specific IBAN. Your customers will no longer need to enter specific details in payment orders. Just click on a required IBAN and instantly find the payments.

Privileges for IBAN Collect users:

- ➔ **Instant collection of funds**
More and more banks in Europe are joining pan-European instant payments system, enabling money to be delivered to your account within seconds.
- ➔ **Low commissions**
IBAN COLLECT is significantly cheaper compared to Visa/MasterCard payments.
- ➔ **No chargebacks**
Requesting a chargeback after execution of a bank transfer is problematic.
- ➔ **No intermediaries**
Being a SEPA member, we enable direct payment reconciliation between the sender and our client.
- ➔ **Recurrent payments**
SEPA Direct Debit - ideal instrument to charge recurrent payments from your customers.
- ➔ **Simple reconciliation**
Unique IBAN for each of your customers makes accounting simpler than ever before.
- ➔ **Other options for money collections.**
